

The Charted Course

STAND!

“Therefore my dear brothers, **STAND FIRM**, let nothing move you, always abounding in the work of the Lord, because you know that your labor for the Lord is not in vain.” 1Cor 15:58 NIV

It's your choice every day: Will I stand firm, or will I fall? Will I be tossed about?

Please make up your mind today that you will stand for Jesus!

Stand firm!

Stand on His Word!

Stand in His Power and strength!

Stand firm!

Stand stronger than yesterday by gripping His hand firmer today!

He is the One Who promised never to leave you nor forsake you. You can stand with His help. He is there with you now.

Make up your mind and say “Nothing will move me!”

Say it to yourself over and over as you go through your day. Ever notice how you intended to stand and not fall, but life has a way of hitting you throughout the day – sometimes knocking you down. That's just life, so rude and interrupting of our plans and good intentions!

Good thing you have Jesus, He will help you back up again. A just man, the Bible says, falls seven times. Well, the difference between a just man and

one who is unjust is the unjust man stays down and the just man gets up again. I know you don't always feel like getting up, but you can because you have Somebody with you waiting to pick you back up again. ***Cry out to Jesus, He is there waiting to pick you up again!***

Know that your stand in God is not in vain!

If you don't know that, you will be of a divided mind in the day of trouble. And that will keep you from receiving anything from the Lord!

Remember how God has moved and helped you in the past, these testimonies of the past are prophecies of the future!

My friend, you are going to make it, and God *will* help you!

**It is His WILL that you overcome,
and that YOU STAND!**
